Subject to the provisions of applicable law, the Administrative Agent and the Lenders may postpone or cause the postponement of the sale of all or any portion of the Collateral by announcement at the time and place of such sale, and such sale may, without further notice, to the extent permitted by law, be made at the time and place to which the sale was postponed, or the Administrative Agent and the Lenders may further postpone such sale by announcement made at such time and place.

(b) Remedies Relating to Accounts. Upon the occurrence of an Event of Default, whether or not the Administrative Agent has exercised any or all of its rights and remedies hereunder, each Grantor will promptly upon request of the Administrative Agent (i) establish such lockboxes, collection accounts and concentration accounts as shall be acceptable to the

Administrative Agent in each case, pursuant to such agreements as shall be acceptable in form and substance to the Administrative Agent, (ii) give notice to its customers and account debtors that the Accounts of such Grantor have been assigned to the Administrative Agent or of the security interest granted to the Administrative Agent hereunder, and (iii) instruct all account debtors to remit all payments in respect of Accounts to such mailing locations, lock-boxes and/or deposit accounts as shall be selected by the Administrative Agent. In addition, the Administrative Agent or its designee may notify the Grantor's customers and account debtors that the Accounts of the Grantor have been assigned to the Administrative Agent or of the Administrative Agent's security interest therein, and may (either in its own name or in the name of the Grantor or both) demand, collect (including without limitation by way of a lock-box arrangement), receive, take receipt for, sell, sue for, compound, settle, compromise and give acquittance for any and all amounts due or to become due on any Account, and, in the Administrative Agent's discretion, file any claim or take any other action or proceeding to protect and realize upon the security interest of the Secured Parties in the Accounts. Each Grantor acknowledges and agrees that the Proceeds of its Accounts remitted to or on behalf of the Administrative Agent in accordance with the provisions hereof shall be solely for the Administrative Agent's own convenience and that no such Grantor shall have any right, title or interest in such Accounts or in any such other amounts except as expressly provided herein. The Administrative Agent and the other Secured Parties shall have no liability or responsibility to any Grantor for acceptance of a check, draft or other order for payment of money bearing the legend "payment in full" or words of similar import or any other restrictive legend or endorsement or be responsible for determining the correctness of any remittance. Each Grantor hereby agrees to indemnify the Administrative Agent and the other Secured Parties from and against all liabilities, damages, losses, actions, claims, judgments, costs, expenses, charges and reasonable attorneys' fees suffered or incurred by the Administrative Agent or the other Secured Parties (each, an "Indemnified Party") because of the maintenance of the foregoing arrangements except as relating to or arising out of the gross negligence or willful misconduct of an Indemnified Party or its officers, employees or agents. In the case of any investigation, litigation or other proceeding, the foregoing indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by the Grantor, its directors, shareholders or creditors or an Indemnified Party or any other Person or any other Indemnified Party is otherwise a party thereto.

(c) Access. In addition to the rights and remedies hereunder, upon the occurrence of an Event of Default and during the continuance thereof, the Administrative Agent shall have the right to enter and remain upon the various premises of the Grantors without cost or charge to the Administrative Agent, and use the same, together with materials, supplies, books and records of the Grantors for the purpose of collecting and liquidating the Collateral, or for preparing for sale and conducting the sale of the Collateral, whether by foreclosure, auction or otherwise. In addition, the Administrative Agent may remove Collateral, or any part thereof,

from such premises and/or any records with respect thereto, in order to effectively collect or liquidate such Collateral.

(d) Nonexclusive Nature of Remedies. Failure by the Administrative Agent or any other Secured Party to exercise any right, remedy or option under this Security Agreement, any other Credit Document, any Hedging Agreement between any Grantor and any Lender, or any Affiliate of a Lender, or as provided by law, or any delay by the Administrative Agent or any other Secured Party in exercising the same, shall not operate as a waiver of any such right, remedy or option. No waiver hereunder shall be effective unless it is in writing, signed by the party against whom such waiver is sought to be enforced and then only to the extent specifically stated, which in the case of the Administrative Agent or any other Secured Party shall only be granted as provided herein. To the extent permitted by law, neither the Administrative Agent, the other Secured Parties, nor any party acting as attorney for the Administrative Agent or the other Secured Parties, shall be liable hereunder for any acts or omissions or for any error of judgment or mistake of fact or law other than their gross negligence or willful misconduct hereunder. The rights and remedies of the Administrative Agent and the other Secured Parties under this Security Agreement shall be cumulative and not exclusive of any other right or remedy which the Administrative Agent or the other Secured Parties may have.

(e) Retention of Collateral. The Administrative Agent may, after providing the notices required by Section 9-505(2) of the UCC or otherwise complying with the requirements of applicable law of the relevant jurisdiction, to the extent the Administrative Agent is in possession of any of the Collateral, retain the Collateral in satisfaction of the Secured Obligations. Unless and until the Administrative Agent shall have provided such notices, however, the Administrative Agent shall not be deemed to have retained any Collateral in satisfaction of any Secured Obligations for any reason.

(f) Deficiency. In the event that the proceeds of any sale, collection or realization are insufficient to pay all amounts to which the Administrative Agent or the other Secured Parties are legally entitled, the Grantors shall be jointly and severally liable for the deficiency, together with interest thereon at the default rate specified in Section 3.1 of the Credit Agreement together with the costs of collection and the reasonable fees of any attorneys employed by the Administrative Agent to collect such deficiency. Any surplus remaining after the full payment and satisfaction of the Secured Obligations shall be returned to the Grantors or to whomsoever a court of competent jurisdiction shall determine to be entitled thereto.

(g) For the purpose of enabling the Administrative Agent, during the continuance of an Event of Default, to exercise rights and remedies under this Section 8 at such time as the Administrative Agent shall be lawfully entitled to exercise such rights and remedies, and for no other purpose, each Grantor hereby grants to the Administrative Agent, to the extent assignable, an irrevocable, non-exclusive license (exercisable without payment of royalty or

other compensation to such Grantor) to use, assign, license or sublicense any of the Copyrights, Patents and Trademarks now owned or hereafter acquired by such Grantor, wherever the same may be located, including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout hereof.

9. Rights of the Administrative Agent.

(a) Power of Attorney. In addition to other powers of attorney contained herein, each Grantor hereby designates and appoints the Administrative Agent, on behalf of the Secured Parties, and each of its designees or agents, as attorney-in-fact of such Grantor, irrevocably and with power of substitution, with authority to take any or all of the following actions upon the occurrence and during the continuance of an Event of Default:

(i) to demand, collect, settle, compromise, adjust, give discharges and releases, all as the Administrative Agent may reasonably determine;

(ii) to commence and prosecute any actions at any court for the purposes of collecting any Collateral and enforcing any other right in respect thereof;

(iii) to defend, settle or compromise any action brought and, in connection therewith, give such discharge or release as the Administrative Agent may deem reasonably appropriate;

(iv) receive, open and dispose of mail addressed to the Grantor and endorse checks, notes, drafts, acceptances, money orders, bills of lading, warehouse receipts or other instruments or documents evidencing payment, shipment or storage of the goods giving rise to the Collateral of such Grantor on behalf of and in the name of such Grantor, or securing, or relating to such Collateral;

(v) sell, assign, transfer, make any agreement in respect of, or otherwise deal with or exercise rights in respect of, any Collateral or the goods or services which have given rise thereto, as fully and completely as though the Administrative Agent were the absolute owner thereof for all purposes;

(vi) adjust and settle claims under any insurance policy relating thereto;

(vii) execute and deliver all assignments, conveyances, statements, financing statements, renewal financing statements, security agreements, affidavits, notices and other agreements, instruments and documents that the Administrative Agent may determine necessary in order to perfect and maintain the security interests and liens

granted in this Security Agreement and in order to fully consummate all of the transactions contemplated therein;

(viii) institute any foreclosure proceedings that the Administrative Agent may deem appropriate; and

(ix) do and perform all such other acts and things as the Administrative Agent may reasonably deem to be necessary, proper or convenient in connection with the Collateral.

This power of attorney is a power coupled with an interest and shall be irrevocable (i) for so long as any of the Secured Obligations remain outstanding, any Credit Document or any Hedging Agreement between any Grantor and any Lender, or any Affiliate of a Lender, is in effect or any Letter of Credit shall remain outstanding and (ii) until all of the Commitments shall have been terminated. The Administrative Agent shall be under no duty to exercise or withhold the exercise of any of the rights, powers, privileges and options expressly or implicitly granted to the Administrative Agent in this Security Agreement, and shall not be liable for any failure to do so or any delay in doing so. The Administrative Agent shall not be liable for any act or omission or for any error of judgment or any mistake of fact or law in its individual capacity or its capacity as attorney-in-fact except acts or omissions resulting from its gross negligence or willful misconduct. This power of attorney is conferred on the Administrative Agent solely to protect, preserve and realize upon its security interest in the Collateral.

(b) Performance by the Administrative Agent of Obligations. If any Grantor fails to perform any agreement or obligation contained herein, the Administrative Agent itself may perform, or cause performance of, such agreement or obligation, and the expenses of the Administrative Agent incurred in connection therewith shall be payable by the Grantor on a joint and several basis pursuant to Section 11 hereof.

(c) Assignment by the Administrative Agent. The Administrative Agent may from time to time assign the Secured Obligations and any portion thereof and/or the Collateral and any portion thereof, and the assignee shall be entitled to all of the rights and remedies of the Administrative Agent under this Security Agreement in relation thereto.

(d) The Administrative Agent's Duty of Care. Other than the exercise of reasonable care to assure the safe custody of the Collateral while being held by the Administrative Agent hereunder, the Administrative Agent shall have no duty or liability to preserve rights pertaining thereto, it being understood and agreed that the Grantors shall be responsible for preservation of all rights in the Collateral, and the Administrative Agent shall be relieved of all responsibility for the Collateral upon surrendering it or tendering the surrender of it to the Grantors. The Administrative Agent shall be deemed to have exercised reasonable care in the

custody and preservation of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which the Administrative Agent accords its own property, which shall be no less than the treatment employed by a reasonable and prudent agent in the industry, it being understood that the Administrative Agent shall not have responsibility for taking any necessary steps to preserve rights against any parties with respect to any of the Collateral.

10. Application of Proceeds. Upon the occurrence and during the continuance of an Event of Default, any payments in respect of the Secured Obligations and any proceeds of the Collateral, when received by the Administrative Agent or any of the other Secured Parties in cash or its equivalent, will be applied in reduction of the Secured Obligations in the order set forth in Section 3.15(b) of the Credit Agreement, and each Grantor irrevocably waives the right to direct the application of such payments and proceeds and acknowledges and agrees that the Administrative Agent shall have the continuing and exclusive right to apply and reapply any and all such payments and proceeds in the Administrative Agent's sole discretion, notwithstanding any entry to the contrary upon any of its books and records.

11. Costs of Counsel. If at any time hereafter, whether upon the occurrence of an Event of Default or not, the Administrative Agent employs counsel to prepare or consider amendments, waivers or consents with respect to this Security Agreement, or to take action or make a response in or with respect to any legal or arbitral proceeding relating to this Security Agreement or relating to the Collateral, or to protect the Collateral or exercise any rights or remedies under this Security Agreement or with respect to the Collateral, then the Grantors agree to promptly pay upon demand any and all such reasonable documented costs and expenses of the Administrative Agent and, after an Event of Default, the other Secured Parties, all of which costs and expenses shall constitute Secured Obligations hereunder.

12. Continuing Agreement.

(a) This Security Agreement shall be a continuing agreement in every respect and shall remain in full force and effect so long as any of the Secured Obligations remain outstanding or any Credit Document or any Hedging Agreement between any Grantor and any Lender, or any Affiliate of a Lender, is in effect or any Letter of Credit shall remain outstanding, and until all of the Commitments thereunder shall have terminated (other than any obligations with respect to the indemnities and the representations and warranties set forth in the Credit Documents). Upon such payment and termination, this Security Agreement shall be automatically terminated and the Administrative Agent shall, upon the request and at the expense of the Grantors, forthwith release all of its liens and security interests hereunder and shall execute and deliver all UCC termination statements and/or other documents reasonably requested by the Grantors evidencing such termination. Notwithstanding the foregoing, all

releases and indemnities provided hereunder shall survive termination of this Security Agreement.

(b) This Security Agreement shall continue to be effective or be automatically reinstated, as the case may be, if at any time payment, in whole or in part, of any of the Secured Obligations is rescinded or must otherwise be restored or returned by the Administrative Agent or any Lender as a preference, fraudulent conveyance or otherwise under any bankruptcy, insolvency or similar law, all as though such payment had not been made; provided, however, that in the event payment of all or any part of the Secured Obligations is rescinded or must be restored or returned, all reasonable costs and expenses (including without limitation any reasonable legal fees and disbursements) incurred by the Administrative Agent or any Lender in defending and enforcing such reinstatement shall be deemed to be included as a part of the Secured Obligations.

13. Amendments; Waivers; Modifications. This Security Agreement and the provisions hereof may not be amended, waived, modified, changed, discharged or terminated except as set forth in Section 12.6 of the Credit Agreement.

14. Successors in Interest. This Security Agreement shall create a continuing security interest in the Collateral and shall be binding upon each Grantor, its successors and assigns and shall inure, together with the rights and remedies of the Administrative Agent and the other Secured Parties hereunder, to the benefit of the Administrative Agent and the other Secured Parties and their successors and permitted assigns; provided, however, that none of the Grantors may assign its rights or delegate its duties hereunder without the prior written consent of each Lender or the Required Lenders, as required by the Credit Agreement. To the fullest extent permitted by law, each Grantor hereby releases the Administrative Agent and each Lender, and its successors and assigns, from any liability for any act or omission relating to this Security Agreement or the Collateral, except for any liability arising from the gross negligence or willful misconduct of the Administrative Agent, or such Lender, or its officers, employees or agents.

15. Notices. All notices required or permitted to be given under this Security Agreement shall be in conformance with Section 12.1 of the Credit Agreement.

16. Counterparts. This Security Agreement may be executed in any number of counterparts, each of which where so executed and delivered shall be an original, but all of which shall constitute one and the same instrument. It shall not be necessary in making proof of this Security Agreement to produce or account for more than one such counterpart.

17. Headings. The headings of the sections and subsections hereof are provided for convenience only and shall not in any way affect the meaning or construction of any provision of this Security Agreement.

18. Governing Law; Submission to Jurisdiction; Venue.

(a) THIS SECURITY AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. Any legal action or proceeding with respect to this Security Agreement may be brought in the courts of the State of New York, or of the United States for the Southern District of New York, and, by execution and delivery of this Security Agreement, each Grantor hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of such courts. Each Grantor further irrevocably consents to the service of process out of any of the aforementioned courts in any such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to it at the address for notices pursuant to Section 12.1 of the Credit Agreement, such service to become effective 30 days after such mailing. Nothing herein shall affect the right of the Administrative Agent to serve process in any other manner permitted by law or to commence legal proceedings or to otherwise proceed against any Grantor in any other jurisdiction.

(b) Each Grantor hereby irrevocably waives any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions or proceedings arising out of or in connection with this Security Agreement brought in the courts referred to in subsection (a) hereof and hereby further irrevocably waives and agrees not to plead or claim in any such court that any such action or proceeding brought in any such court has been brought in an inconvenient forum.

19. Waiver of Jury Trial. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF THE PARTIES TO THIS SECURITY AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS SECURITY AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

20. Severability. If any provision of any of the Security Agreement is determined to be illegal, invalid or unenforceable, such provision shall be fully severable and the remaining provisions shall remain in full force and effect and shall be construed without giving effect to the illegal, invalid or unenforceable provisions.

21. Entirety. This Security Agreement, the other Credit Documents and the Hedging Agreements between any Grantor and any Lender, or any Affiliate of a Lender, rep-

resent the entire agreement of the parties hereto and thereto, and supersede all prior agreements and understandings, oral or written, if any, including any commitment letters or correspondence relating to the Credit Documents, the Hedging Agreements between any Grantor and any Lender, or any Affiliate of a Lender, or the transactions contemplated herein and therein.

22. Survival. All representations and warranties of the Grantors hereunder shall survive the execution and delivery of this Security Agreement, the other Credit Documents and the Hedging Agreements between any Grantor and any Lender, or any Affiliate of a Lender, the delivery of the Notes and the making of the Loans and the issuance of the Letters of Credit under the Credit Agreement.

23. Other Security. To the extent that any of the Secured Obligations are now or hereafter secured by property other than the Collateral (including, without limitation, real property and securities owned by the Grantor), or by a guarantee, endorsement or property of any other Person, then the Administrative Agent and the other Secured Parties shall have the right to proceed against such other property, guarantee or endorsement upon the occurrence of any Event of Default, and the Administrative Agent and the other Secured Parties have the right, in their sole discretion, to determine which rights, security, liens, security interests or remedies the Administrative Agent and the other Secured Parties shall at any time pursue, relinquish, subordinate, modify or take with respect thereto, without in any way modifying or affecting any of them or any of the Administrative Agent's and the other Secured Parties' rights or the Secured Obligations under this Security Agreement, under any other of the Credit Documents or under any Hedging Agreement between any Grantor and any Lender, or any Affiliate of a Lender.

24. Rights of Required Lenders. All rights of the Administrative Agent hereunder, if not exercised by the Administrative Agent, may be exercised by the Required Lenders.

25. Joint and Several Obligations of Grantors.

(a) Each of the Grantors is accepting joint and several liability hereunder in consideration of the financial accommodation to be provided by the Lenders to the Borrower under the Credit Agreement, for the mutual benefit, directly and indirectly, of each of the Grantors and in consideration of the undertakings of each of the Grantors to accept joint and several liability for the obligations of each of them.

(b) Each of the Grantors jointly and severally hereby irrevocably and unconditionally accepts joint and several liability with the other Grantors with respect to the payment and performance of all of the Secured Obligations arising under this Security Agreement, the other Credit Documents and the Hedging Agreements between any Grantor and any Lender, or any

Affiliate of a Lender, it being the intention of the parties hereto that all the Secured Obligations shall be the joint and several obligations of each of the Grantors without preferences or distinction among them.

(c) Notwithstanding any provision to the contrary contained herein, in any other of the Credit Documents or in any Hedging Agreement between any Grantor and any Lender, or any Affiliate of a Lender, the obligations of each Grantor under the Guaranty Agreement and the other Credit Documents shall be limited to an aggregate amount equal to the largest amount that would not render such obligations subject to avoidance under Section 548 of the Bankruptcy Code or any comparable provisions of any applicable state law.

26. Effect. Effective as of the date of this Security Agreement (the "Effective Date"), this Security Agreement amends and restates the Original Security Agreement in its entirety. It is the intent of the parties hereto that this Security Agreement not constitute a novation and that this Security Agreement replaces in its entirety the Original Security Agreement. After the date hereof, all references in any Credit Document to the "Guarantor Security Agreement" shall mean and be a reference to this Security Agreement.
